

What does Black Belt Signify?

Black is the opposite of white, signifying maturity and proficiency in Tae Kwon-Do. Also indicates the wearer's imperviousness to darkness and fear.

What is the Black Tag Pattern?

Choong Moo Tul

What is the meaning of Choong Moo Tul & how many movements does it have?

Choong Moo was the name given to the Yi Dynasty Admiral Yi Sun-Sin. In AD1592, he was reputed to have invented the world's first armoured battleship (Kobukson), which is said to be the precursor of today's submarine. The reason the pattern ends with a left-hand attack is to symbolize his regrettable death, having no chance to show his unrestrained potential checked by the forced reservation of his loyalty to the king.

30 movements.
